

Campion School, Athens Greece

JOB ADVERT

Position:	Teacher of Science with IB Environmental Systems and Societies (ESS) specialism
Contract:	Full-time, fixed Term, from September 2025.
Pay Scale:	Campion School pay scale
Reports to:	Head of Science

Founded in 1970, Campion's purpose is to provide a first-class education for boys and girls aged between three and eighteen, fostering abilities both in the field of academic and general education, and in sporting activities and the performing arts. Our International Baccalaureate Diploma (IB) results are consistently five to six points above world average with nearly all our pupils progressing to higher education. Last year, our IB average was 36 points and amongst one of the best in Europe. Our most recent ISI inspection (March 2023) judged the Educational Quality we provide to our pupils to be excellent. This year, our achievements were recognized by Spears, which ranked Campion among the top 100 international schools in the world.

We are seeking to appoint a replacement Science teacher with a specialism in Environmental Systems and Societies. The successful applicant will be expected to teach General Science in Key Stage 3, Biology and/or Chemistry at IGCSE level, and IB EES. Knowledge and willingness to teach the HL syllabus is advantageous.

Campion is committed to the continual professional development of its staff and full IB training is available.

What we are looking for:

- Highly skilled educators with the ability to engage and stretch high-performing students
- A track record of excellent teaching
- A recognised teaching qualification from the same country as the passport
- The ability to motivate and inspire students
- Creative teaching skills and a professional approach
- The determination to raise students' achievement
- Resilience and optimism: someone who is willing to go the extra mile in the busy life of the school
- A sense of humour
- The encouragement of co-curricular activities
